

ANTI-STAT PLUS

This product is an Antimicrobial laundry additive for use on fabrics, such as: diapers, athletic apparel, table linens, bedding and towels, and hospital and institutional linen. 24 hour odor-causing bacteriostatic barrier • For Hospital, Commercial, Institutional and Industrial Use. Laundry presoak disinfectant. Laundry presoak sanitizer. Laundry bacteriostat. Disinfects, sanitizes, and deodorizes laundry.

Features:

LAUNDRY BACTERIOSTAT FOR COMMERCIAL, INDUSTRIAL, AND NON-MEDICAL INSTITUTIONAL LAUNDRY APPLICATIONS: This product provides the fabric with residual bacteriostatic activity for up to 24 hours against odor causing gram-negative and gram-positive bacteria when added to the final rinse at a rate of 10 fl. oz. of this product per 100 lbs. of dry laundry. This product was evaluated against: Staphylococcus aureus, Klebsiella pneumoniae

At 34.5 fl. oz. of this product per 100 lbs. of dry laundry, this product provides disinfection against bacteria, viruses* and fungi when laundry is presoaked for 10 minutes before normal washing.

At 16 fl. oz. of this product per 100 lbs. of dry laundry, this product provides sanitization against Staphylococcus aureus, Klebsiella pneumoniae and Klebsiella aerogenes, when laundry is presoaked for 3 minutes before normal washing.

Helps reduce cross-contamination in treated laundry. Works as a laundry presoak disinfectant against bacteria and is effective against HIV when laundry is presoaked.

This product prevents growth of odor-causing bacteria for 24 hours. For residual bacteriostatic activity, conditions of high relative humidity or wet contamination are required. Will inhibit the growth of many organisms on treated fabric not only at the time of exposure, but also during handling and transportation until the garments are again laundered and treated with this product.

Use this product in Laundries, Laundry Facilities, Washing Machines.

Product Code: 282P

Available in: 5 GAL.

Laundry Presoak Disinfection In 10 Minutes Against:

BACTERIA
