Description

Combi pro detergent is a concentrated, high-alkaline detergent for use in Combi Oven automatic cleaning cycles. It is formulated to clean tough burnt-on food soils, grease, and fats while remaining low-foaming and free-rinsing. Using **combi pro detergent** saves time and labor when used during the automatic cleaning cycles. Your Combi Oven is clean and ready to use at the end of each cleaning cycle.

Features...Benefits

Highly Concentrated	Economical
Versatile	Ease of Use
Hard Water Tolerant	Labor Saving
Low Foam System	Improved Efficiency

Directions

Carefully remove the cap from the **combi pro detergent** bottle. Place the detergent pickup tube into the opening and prime the pump if necessary. Replace the container when empty.
