## Premium Powdered Laundry Detergent

### Product Properties

COLOR: Turquoise Powder  
ODOR: Pleasant  
pH: 11  
DETERGENCY: Excellent  
HARD WATER TOLERANCE: Excellent

### Description

This premium blend of phosphates, surfactants, water softening agents and optical brighteners make this the efficient and economical powdered detergent to use. It is highly effective and formulated for general laundry, as well as multi-component laundry systems. This free-flowing, easily dispersible formula produces exceptional results in all water conditions and is safe for all fabric types.

### Features...Benefits

Exceptional Results in All Water Conditions  
Disperses Easily  
Safe for All Fabrics  
Free Flowing  
Compatible With Other Laundry Products  
Versatile - Use Alone or In Multi-Component Systems

### Directions

GENERAL LAUNDRY: Use only 1/4 cup (2 oz.) in standard machines. Use up to 1/3 cup (3 oz.) for large capacity machines, extra-large or heavily soiled loads. DO NOT OVERUSE. If desired, add oxygen or chlorine bleach about 5 minutes after the wash cycle begins. IMPORTANT! DO NOT OVERUSE BLEACH. Overuse of bleach is a common laundry mistake causing yellowing/greying of fabric, undesirable colors and reduced garment life. COMMERCIAL MACHINES require 12 to 24 oz. per 100 lbs. of laundry depending upon soil conditions. Follow instructions on your Laundry Procedures and Drying Guidelines posters. Consult your Service Representative for additional application information.

### Safety Information

KEEP OUT OF REACH OF CHILDREN  
CAUTION

Eye irritant. May be harmful if swallowed. In case of contact, flush with plenty of water. If swallowed, give milk or fluids and call a physician.
