

bleach-out

POWDERED CHLORINE BLEACH

Product Properties

COLOR: White Powder
ODOR: Chlorine
pH (1%): 12
DETERGENCY: Moderate
HARD WATER TOLERANCE: Very Good

Description

This highly concentrated laundry bleach is manufactured to disperse quickly in water for immediate, consistent bleaching results and great economy. It tackles the broad range of laundry problems encountered such as the most stubborn dirt, spots and stains that detergent alone cannot touch. Bleaches whites and some colored fabrics to help stay as white and bright as possible. Effectively deodorizes.

Features...Benefits

Highly Concentrated..... Economical
Deodorizes..... Labor Saving
Disperses Easily..... Ease of Use
Whitens and Brightens..... Reduces Rewash

Directions

GENERAL LAUNDRY: Use only 1/4 cup of bleach for small loads to 1/2 cup of bleach for larger loads. Add to the machine dispenser or after wash water has filled and washer has begun agitating. Alternatively, pre-dissolve powder in wash water before adding garments. Do not allow undissolved bleach to contact fabric. Follow machine manufacturer's recommendations. COMMERCIAL MACHINES require 4-6 oz. per 100 pounds of dry linen. DO NOT over use: excess bleach may dull or grey certain items and shorten fabric life. Follow instructions on your Laundry Procedures and Drying Guidelines posters. Consult your Service Representative for additional application information.

Safety Information

KEEP OUT OF REACH OF CHILDREN
DANGER

Corrosive. May cause severe skin irritation or chemical burns to broken skin. Causes eye damage. Do not get in eyes, on skin or clothing. Wear goggles or face shield and rubber gloves when handling this product. Wash after handling. Avoid breathing vapors and dust. Vacate poorly ventilated areas as soon as possible. Do not return until odors have dissipated.

SKIN: Wash with plenty of soap and water.

EYES: Flush with water for at least 15 minutes. Get medical attention.

INGESTION: Drink large quantities of milk, or gelatin solution or, if these are not available, drink large quantities of water. DO NOT induce vomiting. Get prompt medical attention.
