Directions

LAUNDRY USE: Apply directly to rust spots or iron stains undiluted. Always apply out to the edge of circular stains to ensure complete removal. Allow up to 5 minutes contact time for best results, then launder as usual. May also be added to automatic washers in the final rinse cycle at the rate of 4 to 8 ounces per 50 pounds of discolored linen.

NOTE: Do not use in washers with enamelled wheel linings.

CARPET USE: Use undiluted for rust spots. Apply directly to spot, agitate with a clean cloth and follow with a fresh water rinse. Blot area thoroughly. For brown-out treatment, dilute product at 1:16 (8 oz./gal.) and apply by extractor or spray.

NOTE: Test product for compatibility with carpet in an inconspicuous area before use of this product.
