Description

This concentrated, economical degreaser offers the NATURAL solution to many tough industrial cleaning and degreasing problems. The natural solvents used in this formula cut grease and oils FAST, yet without harmful caustic ingredients. Its emulsifying properties hold soils in suspension and allow oils to separate for recovery or disposal. Additionally, the fresh orange/citrus fragrance gives long-lasting odor counteraction. Versatile and effective, this product replaces and outperforms a variety of products, yet is non-butyl, non-caustic, nonacid, petroleum free and biodegradable.
