

cpc-715

HIGH PERFORMANCE ALKALINE DETERGENT

Product Properties

COLOR: Clear, Colorless
 ODOR: Characteristic
 pH: 14
 FOAMING: None to Flash
 SOLUBILITY IN WATER: Complete
 RINSABILITY: Free Rinsing
 HARD WATER TOLERANCE: Excellent

Description

cpc-715 is a concentrated liquid alkaline cleaning agent formulated for the pharmaceutical, biotechnology, cosmetic and food and beverage industries. This effective "all-in-one" agent removes a wide range of process and product residues, including proteins, organics, excipients, fine chemicals, silicones and is particularly effective against oils, petrolatums and polymers. This product reduces the use of solvents and detergent additives.

Features...Benefits

Highly Concentrated Economical
 "All-in-One" Formula Ease of Use
 Versatile Ease of Use
 Hard Water Tolerant Labor Saving
 Low Foam System Improved Efficiency

Directions

Typical operating concentrations of cpc-715 vary from 0.4% to 10% by volume depending on temperatures, soil loads and cleaning methods used. cpc-715 is excellent for use in immersion, pressure spray and recirculating spraywash applications and is ideal for recirculating clean-in-place (CIP) systems. Always rinse food contact surfaces thoroughly with potable water after use of this product.

Safety Information

KEEP OUT OF REACH OF CHILDREN

DANGER: Causes severe burns to skin and eyes. Harmful if swallowed. Do not get in eyes, on skin or clothing. Avoid breathing mist. Wear eye protection and chemical resistant gloves when handling this product.

FIRST AID: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get immediate medical attention.

SKIN: Promptly flush skin with plenty of water. Remove and wash contaminated clothing or footwear before reuse. Get medical attention if irritation persists.

INGESTION: DO NOT TAKE INTERNALLY. If swallowed, DO NOT induce vomiting. Get immediate medical attention.

INHALATION: If inhaled, remove to fresh air. If breathing is difficult, get medical attention.

CHEMICAL HAZARD: Dilute this product with water only.
