

Description

Alkaline Detergent is a concentrated, phosphate free, alkaline detergent and cleaner used for removing a wide range of organic soils from cages, glassware, and mechanical equipment. **Alkaline Detergent** is designed for use inside washer disinfectors, cart washers, cage washers, glassware washers, and in clean in place (CIP) applications.

Features

- High-performance cleaning for organic soils
- Able to be used in immersion, pressure wash, and recirculating spray wash applications
- Low foaming, free rinsing, and excellent hard water tolerance
- Ideal for cart, rack, and cage washers

Directions for Use

Alkaline Detergent dose is between 0.25-3.0 oz./gal. of water (2-24 mL/L), at temperatures ranging from room temperature to 180 °F (82 °C). Ideal dose and temperature will depend on the soil type and load, the substrates being cleaned, and the overall water quality being used. Always follow machine manufacturers' directions for use.

Safety

Be sure to don appropriate Personal Protection Equipment.

This product is intended for industrial and institutional use only. Not intended for consumer use.

Alkaline Detergent is compatible with stainless steel, glassware, and most plastics.

Consult the Safety Data Sheet (SDS) for more detailed information pertaining to safety, handling, storage, and waste disposal methods.

DO NOT ADD BLEACH or any other chemical to **Alkaline Detergent**. Combining chemicals outside of the directions for use could result in loss of efficacy or adverse chemical reactions.

The product is freeze/thaw stable. If frozen, thaw to room temperature and shake or stir.

Once the container is empty, rinse and dispose of properly. Do not reuse this container. Any detergent waste should be disposed of according to Federal, State, and/or local regulations.

Alkaline Detergent

Alkaline Cage Wash and Glassware Detergent

Properties

Color: Colorless to amber liquid

Odor: Mild odor

Product pH: >12.0

Store below 120 °F (49 °C)

Use up to 35 months from date of manufacture

Package Sizes Available

5 Gallons (TH)	FICCB-CP-005T-8430
15 Gallons	FICCB-CP-0015-8430
55 Gallons	FICCB-CP-0055-8430
