

METAL SAFE PLUS

ENVIRONMENTALLY RESPONSIBLE DISHMACHINE DETERGENT

Product Properties

COLOR: Off White Solid
ODOR: Mild Detergent
pH (use dil): >11.5
HARD WATER TOLERANCE: Very Good
FOAMING: None
DETERGENCY: Excellent

Description

This strong, solid detergent removes food soils quickly, while providing reserve cleaning capacity to handle stubborn soils. Built to handle the most challenging water conditions, it delivers sparkling clean results on china, glassware, stainless ware and other materials. Dissolves uniformly to minimize "overshoot" and maximize efficiency and economy. This product contains no phosphates and provides a more positive environmental profile.

Letter of guarantee available upon request.

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product's formula, as Intercon Chemical Company has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Intercon Chemical Company, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Intercon Chemical Company's non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.
