Description

This product is a concentrated product offering the optimum balance of value and performance. This low odored, non-fuming cleaner dissolves lime, scale, milkstone, film and light rust from: stainless steel, aluminum, porcelain, enamelware, glass, etc. Versatile and effective, this product can be used for: dishwashers, steam tables, kettles, coffee and tea urns, utensils, pasteurizers, equipment and fixtures, etc.

Features...Benefits

Concentrated Economical
Controlled Foam Improved Performance
Corrosion Inhibited Safer on Surfaces
Free Rinsing Labor Saving
Low Odor Pleasant to Use

Directions

DISHMACHINES: Turn off detergent feeder, drain tanks and fill with clean, hot water. Add 4 to 12 oz. per gallon of tank water, insert racks and cycle machine until clean. Spray full strength on rinse jets for fast scale removal. Clean outside of machine and wipe dry. Drain detergent solution from tank, rinse with clean water and refill machine with detergent feeder operating. Always rinse thoroughly after using. Wipe dry to shine if desired.

Safety Information

KEEP OUT OF REACH OF CHILDREN
DANGER. Contains phosphoric acid. May cause burns to skin and eyes. If contact occurs, flush with plenty of water. Seek medical attention. Use rubber gloves while hand washing.
