As water is passes through the Smart Drain cartridge, enzymes are activated and released to begin attacking grease, fats, and odorous build up within the pipes.

SMARTTray

No More Fruit Flies!

No More Odors!

No More Clogs!

As water passes over the Smart Tray, enzymes are activated and released to begin attacking grease, fats, and odorous build up within the pipes.

- Sugar Syrup & Alcohol Residue in Beverage & Bar Sink Drains are breeding grounds for bacteria odors and fruit flies.
- Drain treatment time lasts 30 days
- Simply place 1 to 2 Smart Tray's into the bottom of the Fountain or Bar Trough Sink.

SMARTDrainDri-Fit

The Smart Drain Dri-Fit's one way valve prevents odors, sewer gases and pests from emitting from the drain.

- One way valve creates a seal and allow water to flow.
- Silicone sleeve lasts up to 5 years depending on flow of water.
- 2", 3", 3.5" and 4" diameter available.

SMARTFloor

The Smart Floor Packettes eliminate grease, odors and soil from floors and grout using a bioactive enzymatic formula and a neutral all purpose formula.

- No rinsing, no scrubbing, no slipping!
- Bioactive ingredients digest fats, oils and greases to keep floors slip free.
- Neutral ingredients work for daily mopping floors in high traffic areas.
