

INTERCON™

Surefoot^{ez}

BEAT GREASE

Simply By Washing The Floor!

- Improves traction
- Brightens grout lines
- Bioactives digest organics
(Squeegee down the drain to treat drain lines too)
- No rinsing - just wash and let dry
- Floors are cleaner, safer, & odor free!

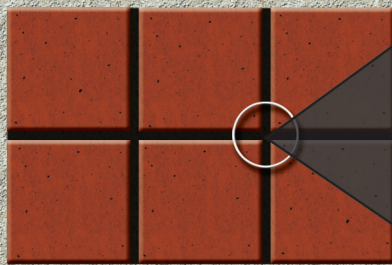

It's simple to have

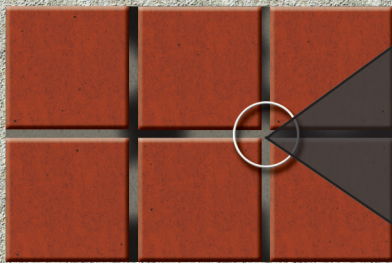

Surefoot EZ

CLEAN | SAFE | ODOR-FREE
F L O O R S

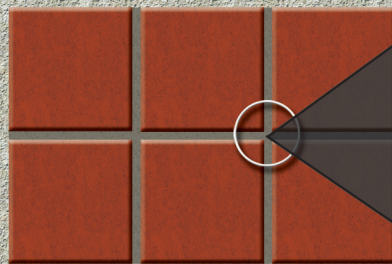

Surefoot EZ uses the latest technology, employing BioActive enzymes for cleaner, safer, odor-free quarry tile floors.

WEEK 0

WEEK 1-2

WEEK 3-4

- Revolutionary formulation technology combines a powerful blend of BioActive enzymes to digest soils and eliminate grease build up.
- Cleaner floors improves traction to reduce potential for slips and falls.
- Concentrated formula is highly economical.
- No rinse formula provides time, labor and water savings.
