activate^{plus}

Maintains clean, free-flowing grease traps and drain systems but also highly effective in restrooms at businesses, schools, sports centers, and other high-traffic facilities where odor control is essential. Delivering superior performance in demanding environments, the concentrated formula provides maximum effectiveness in a safe and environmentally responsible solution.

DECREASE GREASE TRAP PUMP OUT INTERVALS

Liquifies fats, oils and grease (FOGs) that helps keep grease traps free flowing and reduces pump outs.

KEEP DRAINS FLOWING & SMELLING NICE

Use manually or by auto dosing to keep drains free flowing to reduce back ups and foul odors, eliminates FOGs.

REMOVE DUMPSTER & SIDEWALK GREASE

Removes grease stains on concrete sidewalks and dumpster pads. Odor and fly control.

CONTROL RESTROOM ODORS

Refreshes restrooms by eliminating urine and foul odors.
